Hi John,

I understand that the City Attorney has reviewed it and now its back at Planning. I know Whitney has been pushing Planning to approve, so let's give her a few more days for an update.

Nate,

Very good to see you this morning and very glad you had a great time in Fiji. Our conversation made me what to return some day soon.

We need to speed up the process of the contracts for CCF. It has taken way too long. Is there any thing you can do to speed it up?

John
